

# Packaged Information Management Consulting

## Our Packages Are...

- ☑ Affordable
- ☑ Focused
- ☑ Comprehensive

We will look at your organization with an objective eye, covering as much or as little of your organization as you desire. You are in control and can use our expertise to get a the root of your information!

## You're in Control!

- ☑ Remote Process<sup>†</sup>
- ☑ Fixed Scope
- ☑ Level-based Cost Control

All or just one area...

Our clients typically want to look at these areas, but you're in control! Tell us where you need us, and we will be there for you!

- ☑ Organizational Environment
- ☑ Governance Measures
- ☑ Legal & Compliance Issues
- ☑ Technological Environment
- ☑ Information Security
- ☑ Educational Practices

**Don't Wait!**  
**Take Control of Your Information!**

† Packages are designed using a remote process as default. Any and all travel desired by the client will be in addition to the stated package cost.
